Take a break from the beach and enjoy lunch on us while we recognize the Pinnacle Award winners. Even if you are not a Pinnacle Award winner you will be introduced to valuable member benefits and products and services that can help your bottom line!

The Carolina Crustacean 500 (aka Crab Races)-

If you've never experienced a Crab Race, get ready for some fun, exciting and friendly competition. Members purchase crabs then name and prepare them to race (Pre and Post race inspections will be enforced to maintain integrity of crab and race). The crabs race on a specially designed round track, starting from the center circle and crawling outward. The first crab to reach the finish line at the edge of the table wins. There are six elimination heats, but only one crab will take the checkered flag and baste as the Carolina Crustacean Champion...and win the cash purse! Following the Crab Race, members will enjoy cocktails and a Beachside Low Country Boil Dinner.

Family Fun-

Enjoy Friday night with games and fun for the entire family with a tail-gating party to enjoy cheering your favorite team.

Housing Experts -

Nationally recognized keynote speakers for Friday and Saturday to forecast trends in the national, regional and S.C. housing markets (Elliot Eisenberg and Danushka Nanayakkara-Skillington). Elliot Eisenberg, Ph.D. is an internationally acclaimed economist and public speaker specializing in making economics fun, relevant and educational. Danushka Nanayakkara-Skillington is the AVP, Forecasting and Analysis at National Association of Home Builders.

Set Sail for Learning -

Get your spinnakers out! We've got big topics that will help put the wind behind your back and push you forward to a more profitable business. Certified Master Builders won't have to paddle to reach the required continuing education credits. We'll have enough to help you breeze towards the finish line. Classes include;

- Do You Know Who Your Buyers are and what they Want?
