

South Carolina Housing Hall of Fame

The South Carolina Housing Hall of Fame

The Housing Hall of Fame was established in 1995 by the Charitable Foundation of the HBA of Greater Columbia and transferred to the HBA of S.C. in 2001 to honor individuals statewide whose spirit, ingenuity and determination have made a positive lasting impact on housing in South Carolina.

Being named to the South Carolina Housing Hall of Fame is the highest individual honor bestowed by the housing industry. A full list of past inductees can be found on the next page.

Nominations:

Nominations to the S.C. Hall of Fame are made by the Board of Directors of the local HBAs. Membership in the HBA is not a requirement. Nominees for the S.C. Housing Hall of Fame are approved by the S.C. Housing Hall of Fame Trustees and selected by the Housing Hall of Fame Electors (HOF Inductees and HBA Presidents).

South Carolina Housing Hall of Fame candidates must come from one of the two following categories: Builder/Developer or Housing Related. A Builder/Developer is an owner or major principal of a residential building company or land development company. A Housing Related individual is involved in housing issues within fields such as finance, land planning, architecture, research, education, materials, supplies, association management, elected office or public service or may be a historical candidate that made an impact on the housing industry.

To nominate a worthy candidate, contact your local HBA Executive Officer or Mark Nix at 803-771-7408 or email him at mnix@hbaofsc.com.
